

# Easy Ways To Save Money

## On Your Car Insurance

<b>1</b>	Find a defensive driving course in your area and successfully complete the class.
<b>2</b>	If you're driving less than 12,000 miles per year, choose a usage based policy.
<b>3</b>	Set up auto-pay for your monthly premium.
<b>4</b>	Try bundling your home, auto or other insurances together.
<b>5</b>	Check for student discounts.
<b>6</b>	Check for loyalty or renewal discounts.
<b>7</b>	Add multiple cars to your policy to save money.
<b>8</b>	Opt for paperless statements.
<b>9</b>	Add an alarm to your car or choose a car with the highest safety and anti-theft features.
<b>10</b>	Ask your provider for a safe driver discount if you've been accident and ticket free for a few years.
<b>11</b>	Choose a higher deductible.
<b>12</b>	Increase your credit and insurance score.
<b>13</b>	Compare rates and shop around.
